

No.120

The Embassy of the United States of America presents its compliments to the Ministry of Foreign Affairs of the Republic of Sudan and has the honor to refer to diplomatic note no. 4/5/1/42/Aliens/KW dated January 21, 2021 regarding the no objection letter for private U.S. citizens.

The U.S. Embassy respectfully informed the Ministry of Foreign Affairs via diplomatic note no. 995 dated October 31, 2017, that the U.S. Government does not issue letters of endorsement, “no objection letters”, or similar letters that introduce, guarantee, or vouch for private U.S. citizens or U.S.-based organizations.

U.S. government regulations do not allow the U.S. Embassy to issue the type of correspondence mentioned above. It is not a service that we provide to our citizens in any country. However, we respectfully note that any absence of a letter of endorsement or similar correspondence should not impede any U.S. citizen or entity from carrying out activities in accordance with Government of Sudan regulations.

Please consider this note assurance that diplomatic note no. 995, as attached, remains effective and current.

The Embassy of the United States of America avails itself of this opportunity to renew to the Ministry of Foreign Affairs in Khartoum, Sudan, the assurances of its highest consideration.

Embassy of the United States of America
